Fx.: 910.221.0035

All provisions of the contract documents including the technical specifications, general conditions and contracts apply to the work unless modified by the addendum.

GENERAL

RESPONSES TO QUESTIONS

- 1. Are Performance/Payment Bonds required? IFB page 1 indicates that they are not required, but page 0200-4 indicates that they are required. Please clarify.**

Response: Yes, performance and payment bonds are required.

- 2. At Cape Fear H.S. track, is there any topographical data on the existing inner and outer curbs to verify that there is sufficient cross slope to allow for proper drainage?**

Response: The contractor shall utilize the existing curbs to establish the cross slope. Only the curbs indicating to be added or removed shall be graded.

END OF ADDENDUM 1
