Questions & Answers

Q: *Is an Excel worksheet available with monthly volume by machine?*

A: See enclosed Attachment A revision 1 in Excel format that includes annual volume by machine over the last four billing periods in columns M and N. This is not a guarantee of volume to the awarded vendor.

Q: *What happens to the hard drive in a machine at its end of service or end of contract?*

A: CCS requires the hard drive be erased or destroyed and certification provided or alternately ownership of the hard drive be relinquished to CCS.

Q: *On Attachment A where Large Cap Cassette is specified, is the Large Cap Cassette included in the number of Paper Cassettes specified for that machine?*

A: Yes.
