

# CUMBERLAND COUNTY SCHOOLS

IFB #173-19010

## WALL MOUNTED PROJECTORS

### ADDENDUM #1

The purpose of this Addendum is to respond to the following questions presented after the bid was posted:

Q1: We were reading the Minimum Specification Sheet we noticed the last line: "All required cables must be included". We were curious as to what that means exactly. Does this mean just the power cables or the cable to install it (HDMI/VGA/etc)?

Answer: Required cables include the power cord and an HDMI to VGA cable 20 feet long.

Q2 – Please advise if delivery in box is the intent of this RFP.

Answer – Yes.
