1. Reviewed scope of work for the Base Bid – The schools will be bid separate; as two project. The bid form has to be filled out for each school. The projects are bid at the same time; Hope Mills Middle School bids will be opened first. If a Contractor wishes to, they may withdraw their bid for South View Middle School (after the opening of the Hope Mills Middle School bids) before the bids at open for that school.
2. Reviewed Time of Completion under Supplementary General Conditions. It is not critical the project is complete finished before school starts back but all overhead work should be finish and the area is safe for students.
3. There is not a bond required on these projects.
4. Reviewed the gymnasiums at both schools.
5. The fire alarm is not required to be tie into the new systems.
6. The Contractor is to include a Miscellaneous Allowance of \$5,000.00 in the Base Bid for each school. The roofing work required will be taken from this allowance. The Contractor will use the Owner's roofing subcontractor based on line item cost previously provided to CCS. It will be the Contractor's responsible to coordinate and schedule all roofing work with the Owner's roofing subcontractor; which contract information is as follows:
