Items referenced and specified herein are based upon a particular manufacturer, but are used for the purpose of identification and to establish a general quality level. Such references are not intended to be restrictive, and functionally equivalent products of other manufacturers will be considered. However, bidders are cautioned that any deviation from specifications must be pointed out in their bid. Functional equivalency shall be determined by Cumberland County Schools (CCS). CCS shall not be obligated to accept deviations if deemed not to be in the best interest of CCS.

Listed in the Item Detail & Bid Sheet are the totals that were purchased by CCS last fiscal year. These figures are not a guarantee of purchases during the period of July 1, 2019 to June 30, 2020. The figures could be more or less. Please take that into consideration when you are submitting a bid.

Due to budgetary limitations, CCS reserves the right to reduce or increase quantities. Therefore, bidders must include freight in the “each” pricing for each line item, as well as identify minimum order quantities if applicable for any line item. However, preference will be given to items offered without a minimum order quantity.

<b><u>Award Criteria:</u></b> As provided by statute, award will be based on the lowest and best bid(s) (most advantageous to CCS) as determined by consideration of:	
1. Prices offered.	7. Functional Equivalency to specifications stated herein.
2. Quality of products offered.	8. Samples, if requested.
3. General reputation and performance capabilities of the bidders.	9. Conformity of Product Specifications.
4. Conformity with terms and conditions of this Invitation for Bids.	10. Product’s Presentation and Finish
5. Delivery/installation schedule offered.	11. References
6. Durability and Suitability of items for intended use.	

CCS reserves the right to waive any minor informality or technicality in bids received.

**Bid Evaluation:** Bids are requested on the items and/or equipment as hereinafter specified. Bidders are cautioned that any/all information furnished or not furnished on this bid may be used as or in determining of this contract.

**Basis for Rejection:** Cumberland County Schools reserves the right to reject any and all offers, in whole or in part, by deeming the offer unsatisfactory as to quality or quantity, delivery, price or service offered: non-compliance with the requirements or intent of this solicitation; lack of competitiveness; error(s) in specifications or indications that revision would be advantageous to Cumberland County Schools; cancellation or other changes in the intended project, or other determination that the proposed requirement is no longer needed; limitation or lack of available funds; circumstances that prevent determination of the best offer; or any other determination that rejection would be in the best interest of Cumberland County Schools; Samples are not required prior to bid opening date; however, if required later, bidder agrees to furnish samples of items offered at no expense to CCS within fourteen consecutive calendar days after request is made by the State. Bids which do not comply with these requirements will be subject to rejection.

**Budgetary Limitations:** Should it become necessary, based upon budgetary limitations, CCS reserves the right to reduce or increase quantities. Therefore, bidders must include freight in the "each" pricing for each line item, as well as identifying a per unit installation cost for each line item if applicable.

**Timeline for Complete Order:** Cumberland County Schools reserves the right to order portions of the total items in phases, not to exceed 12 months from the date the bid is awarded. It is the intent of this Invitation for Bids to establish a contract with one or more vendors for instructional supplies per stated bid specifications. The contract shall be for a period of one (1) year from the date of the award. Bid prices shall be held firm for the duration of the contract. No minimum or maximum quantities are guaranteed. CCS reserves the right to increase or decrease the quantities as needed. CCS will be responsible only for items received. If the NC Statewide Term Contract price for any item is lower than what the successful bid is, CCS is released from its obligation from the successful bidder.

**Delivery:** Items called for herein will be furnished, delivered, off-loaded and left ready for use in accordance with the requirements stated herein. The successful bidder(s) shall provide individual deliveries to CCS Operations Center, 810 Gillespie St., Fayetteville, NC 28306 within seven (7) consecutive business days after receipt of the CCS purchase order, unless otherwise stated here: \_\_\_ days.

CCS reserves the right to consider the delivery time offered as a factor in the award of contract.

A complete packing list must accompany each shipment, duly marked with the applicable CCS purchase order number. In cases where parties, other than the Bidder, ship materials against the order, the shipper must be instructed to show the CCS purchase order number on all packages and shipping manifest to ensure proper identification and payment of invoices.

**Late Bids:** Regardless of cause, a late bid will not be accepted and will automatically be disqualified from consideration. It shall be the Vendor's sole risk to ensure delivery at the designated office by the designated time. Late bids will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

**Award Notification:** After the bids have been evaluated and an award has been made, each vendor who submitted a bid will be notified of the award. The award may not be made for several weeks dependent upon the complexity of the acquisition and the length of time to complete the evaluation process.

**Confidentiality of Bids:** In submitting its bid, the bidder agrees not to discuss or otherwise reveal the contents of its bid to any source outside of Cumberland County Schools until after the award of the contract. All bidders are advised that they are not to have any communications with CCS during the evaluation of the bids (after the public opening of the bids and before the award of the contract) unless CCS contacts the bidder for the purpose

of seeking clarification. A bidder shall not: transmit to the issuing and or using agency any information commenting on the ability or qualifications of any other bidder to provide the advertised equipment, defects, errors and/or omissions in any other bidder's bid and/or prices at any time during and/or award of the contract that is subject of this IFB. Bidders not in compliance with this provision may be disqualified, at the option of CCS, from the contract award.

**Warranty:** Bidder guarantees that all items furnished are to be new and free from any and all defects in material and workmanship and agrees to replace promptly any part or parts which by reason of defective material or workmanship that fail under normal use, free of negligence or accident, for a minimum period of twelve (12) months from the date put into operation. Such replacement shall be at the cost of the bidder and will be at no additional cost to CCS.

**Electronic Procurement:** Purchasing shall be conducted through the NC E-Procurement service. If not already registered, the awarded bidder(s) must register with NC E-Procurement within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of the contract. The successful bidder(s) shall pay to NC E-Procurement a transaction fee (currently 1.75%) on the total dollar amount (excluding sales taxes) of each purchase order issued through the NC E-Procurement service. This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order.
